

Health-E-Coat®

The Foundation of Every Beautiful Coat Begins Within.

Just as you can't build a skyscraper without a strong foundation, you can't expect to grow a beautiful, healthy, shiny coat without first nourishing the body from within.

Hair is nourished by the blood. Blood supplies oxygen and nutrients to the hair follicle, where healthy skin produces healthy hair.

That's why SummerWinds® developed Health-E-Coat®.

Rather than simply treating the coat from the outside, Health-E-Coat® helps nourish healthy skin and support the natural development of beautiful coats from the inside out.

Because true beauty starts with health—and health starts here.

ACCORDING TO ROSEMARY...

"Beautiful coats don't just happen... They are cultivated."

More Than Beautiful Coats—Total Body Wellness

Healthy skin and a beautiful coat are visible signs of internal wellness. Health-E-Coat® provides essential fatty acids, vitamins, minerals, and natural nutrients that not only support coat growth and shine, but also contribute to overall health, immune function, joint comfort, heart health, and vitality—helping your dog or cat look and feel their best.

Why Breeders and Pet Owners Trust Health-E-Coat®

Adds Sheen & Luster Naturally

Promotes brilliant shine and a soft, luxurious coat.

Supports Healthy Skin & Coat Growth

Nourishes the skin—the foundation for strong, healthy hair.

Rich in Omega 3 & 6 EFAs

Essential fatty acids that support skin health, coat quality, and overall well-being.

All Natural No Preservatives

Pure, high-quality ingredients you can trust.

Very Palatable Easy to Feed

Loose-grain formula mixes easily with food. Can be placed in gelatin capsules for finicky eaters.

Tradition You Can Trust

Since 1981, SummerWinds® has been committed to quality, care, and results for breeders, exhibitors, and pet owners worldwide. Health-E-Coat® is part of our tradition of supporting healthy animals from the inside out.

Build the Complete Foundation

These three products work together for optimal results.

1

Health-E-Coat®
Nourish the body from within.

2

En-Z-Yms®
Support digestion and nutrient absorption.

3

Trav-L-Stress Relief®
Help maintain balance and protect during stress and travel.

For Best Results

Pair with SUMMERWinds® Shine Onnn Shampoo (6.5 pH balanced), Fine-L-Shine Conditioning Crème Rinse, and Protect-A-Coat Conditioning Oil to maintain and protect your dog's coat against environmental, chemical, and weather damage.

Enhanced when partnered with SUMMERWinds® EN-Z-YMS®.
